

When starting the infant class at Busy Kidz Early Learning

Items I will need for my classroom:

- + Diapers (if opted out of ours)
- + Wipes (If opted out of ours)
- + Formula (If you are going to provide it)
(The formula needs to be a new can every time you bring it in)
- + **6 or more bottles** (bottle liners if needed)

(We are not allowed to reuse any type of bottle or nipple, we put them in the dishwasher to be washed and sanitized, so they are ready for the next day)
- + **Extra clothes**
- + **Binky** (If I take one)
- + And tell the teachers or write a note of what your baby likes and dislikes, or what the baby's schedule is at home.
- + Diaper Ointments and any other things we need to apply are welcome, BUT we need a form to be filled out for them.
- + **Baby powder is not allowed.**
- + Make sure to bring enough of these items we have special storage and a place for each child to keep their items here
- + BKEL will Provide Everything Else
